

Refund Policy

Refunds

Our budget is based upon your participation and fees paid. Your decision to join ski team directly affects the finances of the Team and other members you have committed to.

Due to that fact a **refund is not possible unless there are extenuating circumstances**. These may include Death or moving out of town-a prorated refund will apply. Injury that actually occurred while training/racing WITH the team-a prorated amount will apply. Invalid reasons include injury outside of the team practice/races (e.g.: risky jumps), grades, lack of interest or attendance, suspensions or dismissal. If our budget proposed is less than expected and our fundraising exceeds our projections only then would we consider a refund.

I have read and understand the policy stated above.
